

Rooted in a European tradition the German European School Manila offers the highest standard of quality education. We teach our German and English-speaking children of all nationalities according to internationally recognized German and European curricula.

We are open to children from the age of 1 ½ years up to 18 years and guide them in their personal development and education which leads to a bi-or trilingual International Baccalaureate Diploma Programme which is offered since 2003.

With its 190 students the school puts strong emphasis on individual support developing core qualifications and competencies: creativity, team working skills, problem-solving skills and social intelligence defined as the development of good citizenship and individual responsibility. The School's holistic and student-oriented approach is aimed at fostering self-confident, inquiring, and creative life-long learners.

The German European School is currently looking for a prospective member of the teaching staff who will take the position in August 2010 as follows:

**Coordinator
of the IB-Diploma-Programme**

In-depth understanding of current IB Diploma teaching methods and recent developments

Experience in a leading position

Excellent English language skills

Master degree or equivalent

We are looking for a coordinator who is outcome orientated, seriously interested in communicating with all partners, teachers, parents and students, and who can actively promote the DP at school and in external events.

He or she will be responsible for guidance, support, assistance and advice to students, teachers and parents in the respective areas and is expected to coordinate, implement and evaluate all aspects of the IB program. He or she actively supports the school's development and quality management. The DP coordinator reports to the Head of School.

The successful candidate will lead a highly motivated and IBDP experienced team.

Would you like to take this exciting opportunity, then send us your comprehensive application by e-mail or mail it to the following address **until April 20, 2010**.

E-mail: application@gesm.org

Subject: (your name) IB-coordinator application

Wolfgang Kollecker
Head of School
