

## School program 2023/24

### Edition for the school community

#### Welcome to the 2023/24 Academic Year!

#### Dear members of our school community

We are delighted to welcome you to the 2023/24 school year! As we embark on this exciting journey of learning and growth, we want to provide you with an easy-to-follow calendar to help you keep track of important dates and events.

This academic year is packed with enriching activities, parent-teacher meetings, holidays, and more. Whether you are a returning family or new to our school, the calendar aims to be your go-to guide for the year ahead, so you can plan your family schedules and stay involved in your child's education. We look forward to sharing an engaging and successful year with each of you. Let's make this academic year truly remarkable!

Kind regards, Chr.-Boris Frank, Headmaster

PS: Please keep this calendar handy, whether in digital form or printed out on your fridge, so you never miss out on our school's important milestones.

PPS: Kindly understand that we will not add more "special non-working days".

			<b>GEB 1st meeting 2023/24</b>	<b>7:30 AM Auditorium</b>
	The Parents Representative Council serves as a vital link between the school administration, teachers, and parents, aiming to foster a collaborative educational environment. This council actively participates in school policy discussions, offers feedback on academic and extracurricular programs, and helps organize community-building events. Through regular meetings and open dialogue, the Parents Representative Council works to ensure that the parents' voice is heard and considered in decisions that impact our children's education and well-being.			
<b>Thu</b>	<b>21.9.23</b>		<b>Opening Houses of Primary</b>	
	House System at GESM aims to provide all students with opportunities to participate in a range of activities, both sporting and academic, that they otherwise might not get within normal school hours and life outside GESM. GESM House System's 6 key aims: Promote friendly competition, teamwork and cooperation amongst the student body. Foster positive relationships between students in the German and International sections. Encourage participation and inclusion in school, class and extracurricular activities. Encourage good behavior to create a positive learning environment at GESM. Provide leadership opportunities for students.

<b>Wed</b>	<b>27.9.23</b>		<b>PYP coffee morning</b>	
	PYP Coffee Morning is an interactive infosession/workshop conducted by the Head of English Primary to members of the English Primary community, especially new families who joined us this year, to better understand the Five Elements of the IB Primary Years Programme (PYP). It is an engaging workshop where parents get to experience the way we teach and learn in the PYP.			

Thu	28.9.23	<b>NEW: German Secondary Coffee morning on "How to master the German Language"</b>		
		In summary, language acts as the gateway to not only academic success but also social and emotional development, making it central to the entire educational experience. Understanding the challenges from both teachers and parents can help in better resource allocation. While parents need to understand the curriculum and teaching methodologies so they can assist effectively, learning a language might come with nuances that only parent-teacher interactions can adequately address.		
Fr	29.9.23	<b>First PYP Assembly</b>		
		During PYP assembly students shared their learning and reflections on our various Unit of Inquiry topics throughout the year.		
		<b>MUN - selected students</b>		
		The United Nations Model UN Programme aims to build and maintain strong links between the UN and Model UN participants across the globe. It does that through guides and workshops, which teach students how to make their simulations more accurate; by visiting Model UN conferences and sharing firsthand knowledge of what the actual UN is like; and through encouraging Model UN clubs to take real action to support UN values and the Sustainable Development Goals.

Thu	12.10.2023	<b>Staff &amp; School Development Day</b>		
		<b>home study day grade 3 - 12 / supervision Kiga - grade 2</b>		
		School development days are an investment in better education. While teachers and staff engage in professional development, students aren't left out. They receive home assignments to continue their learning independently. This approach allows educators to upskill and align on best practices, all while keeping students engaged and accountable. So, even if the classroom is empty, the educational journey continues for everyone.

Wed	29.05.2024		<b>IBO Evaluation visit Day 1</b>	PYP & IBDP/CP
	Every five years, schools offering Ibo programmes are asked to conduct an evaluation. At the end, a team selected by the IBO visits the school. The visit is designed to ensure that the school delivers a high quality IB education in line with the programme's global framework. The process usually involves classroom observations, interviews with teachers and a review of resources, culminating in feedback and recommendations for ongoing improvement."

			<b>4th session of GESM Steering Group</b>	4:00 PM
	In the steering committee, representatives of all stakeholders of our school come together. This platform is therefore a central element in the process of school development within the framework of the quality standards for German international education. Through the steering committee, selected educational development processes are coordinated, reflected upon, and subjected to internal school evaluation across the entire school.

			<b>Parents Teacher Conference Primary</b>	<b>no classes for E Primary</b>
	A parent-teacher conference (PTC) is a short meeting between you and your child's teacher to talk about your child's academic performance and experience at school. These meetings help you understand what your child is learning at school, their academic and social-emotional progress, and what you can do to support them.
